TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2022

The trustees (who are also directors of the charity for the purposes of the Companies Act) present their report and accounts for the year ended 31 March 2022.

The financial statements comply with the charity's memorandum and articles of association, the Companies Act 2006, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS 102).

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Eastbourne Citizens Advice Bureau (also known as Citizens Advice Eastbourne) was incorporated on 2 March 2001, company number 04171801, and is registered with the Charity Commission in England and Wales, registration number 1086163. It is governed by its memorandum and articles of association. Further details of the charity including its registered office, principal address and details of professional advisors can be found on the second page of the accounts headed 'Legal and administrative information'.

Governance structure and appointment of trustees

The charity is governed through a trustee board. Trustees who have held office during the year are listed on page 2. The Articles of Association provide for a minimum of three and a maximum of fifteen trustees. The trustees meet at least 4 times per year with additional meetings as required.

Trustees are elected to the Board for a three-year period and are appointed by a resolution of its members at an AGM. The board has powers to co-opt members who shall retire at the following AGM and may offer themselves for re-election.

Citizens Advice appoints a representative who is entitled to attend the Board as a non-voting member. Eastbourne Borough Council is also invited to send a representative from its paid staff, plus a representative of the councillors, to attend board meetings as observers. A representative of the charity's volunteers is also invited to attend.

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

Trustee induction and training

New trustees are briefed on their legal obligations under charity and company law, the content of the Memorandum and Articles of Association, the committee and decision-making processes, the business plan and recent financial performance of the charity. They also meet key employees and other trustees. Trustees are encouraged to attend appropriate external training events where these will facilitate the understanding of their role.

Organisation Structure

The organisation is coordinated from its office in Eastbourne.

Eastbourne Citizens Advice is a member of Citizens Advice, the operating name of the National Association of Citizens Advice Bureaux, which provides a framework for standards of advice and casework management as well as monitoring progress against these standards. Eastbourne Citizens Advice is, however, an independent standalone charity, with its own constitution,

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2022

board of trustees and charitable objects. Operating policies are independently determined by its Board of Trustees in order to both fulfil its own charitable objects and comply with the national membership requirements.

The Chief Officer, Mr. A Bruzon, has been appointed by the trustees to manage the day-to-day operations of the charity. In addition, there is an experienced team of paid staff and volunteers who are key to the service offered by the charity. Decisions are made by the trustee board in line with the Business Development Plan and are reviewed at least annually.

Reports and recommendations are taken to the full board for approval, and their implementation is organised by the Chief Officer and the staff team. There are regular staff and volunteer meetings which ensure that progress is being made against targets, and progress against plan is regularly monitored by the board.

The board operates two sub-committees, the Fundraising Committee and the Governance & Policies Group. Both sub-committees operate under written terms of reference agreed by the full board, with delegated authority within clearly defined limits.

The charity also co-operates and liaises with a number of other advisory services, local charities and social services departments on behalf of clients.

Where one of the trustees holds the position of trustee/director of another organisation or charity they may be involved in discussions regarding that other organisation or charity but not in the ultimate decision-making process. Any potential conflict of interest must be declared at the outset of every board meeting, and a Trustees' register of interests is maintained and regularly updated.

Related party transactions

None of the trustees receive remuneration or other benefits for their work with the Charity.

The trustees are not aware of any contractual relationship with a related party and no related party transactions have been reported in the current year.

Major Risks

The trustees recognise that any major risks to which the charity is exposed need to be reviewed and measures put in place to mitigate those risks. To that end the trustees maintain a corporate risk register which is reviewed and updated regularly. Citizens Advice Eastbourne is continually monitoring and managing its risks and ensuring action plans are in place to mitigate its key risks.

Internal risks are minimised by the implementation of policies and procedures for authorisation of all transactions and projects, and to ensure consistent quality of delivery and the upholding of our values for all operational aspects of the charitable company. These policies and procedures are periodically reviewed to ensure that they still meet the needs of the charity.

A key external risk is of loss of funding from our traditional sources, both to fund specific projects and, potentially, to fund our core service. This is a perennial risk which has been amplified by the Covid-19 pandemic, and has been the focus of the Fundraising Committee's work. This work has resulted in funding being obtained from a number of new sources, as noted under 'Fundraising Activities' below. Despite this, funding remains a key risk and the charity continues to implement its longer-term fundraising strategy and to seek to diversify its funding sources.

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2022

OBJECTIVES AND ACTIVITIES

Objects

The charity's objects, as set out in its Memorandum and Articles of Association, are to promote any charitable purpose, in particular, but without limitation, for the benefit of the community in East Sussex by advancement of education, the protection and preservation of health and the relief of poverty, sickness and distress.

Citizens Advice's aims are focused on the following:

- To provide the advice people need for the problems they face, and
- To improve the policies and practices that affect people's lives.

Citizens Advice provides free, independent, confidential and impartial advice to everyone on their rights and responsibilities. We value diversity, promote equality and challenge discrimination.

Citizens Advice Eastbourne has developed its own mission statement to reflect more accurately its purpose and role within the local community:

We provide **free, confidential advice** to help people overcome their problems, and we **campaign on big issues** when their voices need to be heard. We are a **trusted local charity** providing responsive, high-quality services to help people find a way forward and meet community needs. Our work and presence give us **unique insight into the needs of our community**. We are a constant in the face of change, but with the flexibility to innovate and stay ahead.

Ensuring our work delivers our aims

We review our aims, objectives and activities each year. The annual review seeks to examine our achievements and outcome, together with the success of individual key projects and the benefits that have been derived from them. In carrying out the review we are ensuring that that our aims, objectives and activities are in line with our stated purpose.

Our main objectives for the year have been focused on maintaining our services through the year in spite of the difficulties created by Covid19.

Key activities have included:

- Homeworking in order to continue serving the needs of the community throughout the Covid-19 pandemic.
- Refining new contact channels for people at risk of exclusion from the support available to others during the pandemic.
- Using our well-respected Research and Campaigns work to maximise our influence with key stakeholders, in particular feeding back on the effectiveness of government pandemic-related support schemes.
- Management of the Household Support Fund which provided significant financial support to individual households throughout Eastbourne.

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2022

How our activities deliver Public Benefit

Our main activities and who we try to help are described below. All our charitable activities focus on providing the advice people need for the problems they face and are undertaken specifically to provide public benefit. The board of trustees have had due regard to the Charity Commission guidance on public benefit and have complied with the duty in section 4 of the Charities Act 2011.

Advice and Information Services

The main areas of charitable activity are:

- the provision of general advice and information services
- the provision of specialist advice and casework services in the debt and welfare benefits categories of social welfare law, and
- helping people to make applications for Universal Credit

Throughout the year we have continued to offer general advice and information in the following ways

- The provision of advice by remote means, in particular our telephone services, email and, in some cases, by video call.
- Advice Line participation continues as part of a county-wide telephone service. The line is covered on a rota basis between the hours of 10.00am and 4.00pm from Monday to Friday. Outside of these times there is an automated advice service 24 hours a day.
- Full advice general and specialist advice through our team of trained advisers and paid staff.
- Information and self-help, particularly through online resources.

In addition to generalist advice the following specialist advisory services were provided:

- i) Debt advice for people on a low income.
- ii) Specialist Welfare Benefit and Debt provision
- iii) Helping people to make applications for Universal Credit via telephone and webchat.

Contribution of Volunteers and Paid Staff

The charity's success could not be achieved without the hard work and dedication of our volunteers and staff. The trustee board recognises the tremendous contribution made by the charity's volunteers in advising the public and administering the service without which the service could not operate. During 2021/22 the service employed 13 paid workers (10.6 FTE) and 71 active volunteers together delivering 6 projects, including the core service.

Volunteers represent the indispensable core of the service. Citizens Advice Eastbourne benefits from an average of 360 volunteer hours per week. This may be expressed as an annualised value of £344,000. However, their value is inadequately expressed in monetary terms. Without our volunteers, there simply would not be a Citizens Advice service.

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2022

Who used and benefited from our services?

We have helped 3060 people during the year (2020/2021: 3198). A very similar figure to the previous year Most clients present with more than one problem. In total we helped with 10.720 new problems (2020/21: 9.950). The major problem areas identified during the course of the year were as follows:

	2021-202	<u>22</u>	2020-2021	
Benefits & tax credits	2,734	25%	2,214	22%
Benefits Universal Credit	2,222	21%	2,347	24%
Consumer goods & services	302	3%	315	3%
Debt	1,146	11%	1,084	11%
Discrimination	47	0%	91	1%
Education	42	0%	17	0%
Employment	628	6%	886	9%
Financial services & capability	185	2%	120	1%
Health & community care	191	2%	163	2%
Housing	1,157	11%	989	10%
Immigration & asylum	229	2%	169	2%
Legal	398	4%	300	3%
Other	456	4%	351	4%
Relationships & family	569	5%	576	6%
Tax	72	1%	57	0%
Travel & transport	89	1%	74	1%
Utilities & communications	253	2%	197	2%
Grand Total	10.720		9,950	

There has been no significant change in the split of problems which have required our assistance. Benefits and debt continue to account for over 50% of all problems.

Citizens Advice uses an external Treasury-approved model that allows us to put a financial value on a handful of key areas where we can evidence the value we create locally through our advice provision and from working with volunteers. This estimates that, in 2021/22, for every £1 invested in our service, £3.08 is returned in fiscal benefits savings to the government, £19.59

in public benefit through wider economic and social benefits to the local community and £10.26 directly to individuals.

We have been actively involved in identifying issues that affect the community and have made representation to the appropriate organisations. During the period in question, key issues revolved around housing disrepair, and reporting back on the effectiveness of government pandemic-related support

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2022

Factors Affecting the Achievement of Objectives

Maintaining sufficient funding to continue delivering the service remains a continual challenge. We invest significant time in fundraising, and we focus on delivering the most cost-effective service we possibly can. This is about delivering a value for money service that genuinely meets clients' needs so that we can make the funding we receive work as effectively as possible.

The complexity of the issues that clients are facing, and the additional challenges that clients are experiencing, place additional demands on our service. Support networks that were previously in place for people are changing or have been removed; as a result, we are asked at times to offer support that falls outside the remit of direct advice. Where people are vulnerable, it is essential that we offer support in a way appropriate to that person, and whilst necessary this can be particularly resource intensive.

We actively sign-post clients to other agencies if we believe they could be better served elsewhere.

Covid-19

The year started with mass vaccination underway within the general population which was extended to young people in August.

Over the course of the year restrictions slowly changed, isolation rules were modified and testing requirements were ultimately dropped.

We had panic buying and fuel shortages and the gradual removal of the furlough system. Throughout the year we continued to provide services to clients mostly using remote means.

Our office is now opened on specific days with home working expected to continue to provide services along-side face to face.

FINANCIAL REVIEW

The availability of funding in the charity sector remains difficult. The charity is focused on providing added value to its funders from a base of sound financial management and ensuring that our services remain relevant to the strategic objectives of stakeholders at local and national level.

The charity is working hard to deliver a cost-effective service that genuinely meets the needs of our clients. It remains a challenging prospect to meet the ever-increasing demand with restricted funding sources.

There was an overall surplus of £24,648 for the year (2020/21 surplus of £38,342). At 31 March 2022 total reserves were £159,171 of which £153,449 represented unrestricted funds, £4,000 designated reserves and £1,722 related to restricted funds.

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2022

Fundraising Activities

Total income for the year was £452,909, an increase of £55,664 on 2020/21.

Through the various activities of the fund-raising committee we were able to obtain grants from a variety of sources as shown below.

Funding has been confirmed for the majority of our planned activities for 2022/23.

We are grateful to all our funders for their continuing support and trust in us.

We are also delighted to have the continuing support of a number of important local clubs and societies.

Investment Policy and Activity

As required in its Memorandum paragraph 3.19 in furtherance of its objects, and for no other purposes, the Company has the power to invest the monies of the Company not immediately required for its purposes in or upon such investments, securities or property as may be thought fit, subject nevertheless to such conditions and such consents as may for the time being be imposed or required by law.

The charity does not currently hold material investments.

Reserves Policy

Citizens Advice Eastbourne is required to ensure that free monies are available in each financial year to meet any reasonably foreseeable contingency. Citizens Advice Eastbourne maintains a projection of income for three years ahead and tries to ensure that this continues to be derived from as wide a variety of sources as possible. We take all necessary steps to ensure that at no time within this period would it be possible for the cessation of one or more funding streams (apart from funding received from Eastbourne Borough Council) to present so serious a challenge to the future of the organisation that it could not be managed so as to continue to provide a best value advice service.

The trustees therefore consider that it is prudent to maintain an amount equivalent to three months of operating expenditure in respect of the core activity. This requires reserves of £62,000 based on the current year.

In addition, the trustees review every year the amount required to cover potential staff and other liabilities which could be payable in the event of closure of Eastbourne Citizens Advice; this is estimated at approximately £65,000.

At the end of 2021/22 the actual level of free reserves (i.e. unrestricted funds less designated and fixed assets) was £153,449.

Principal Funding Sources

The trustees extend their gratitude to Eastbourne Borough Council, our major funder who continued to provide the majority of funding for the core operating capacity of the charity; without this support, it would be difficult if not impossible for us to continue serving the community. Whilst our three-year agreement with them was due to expire in March 2022, we have recently been informed that this will be rolled over for a further year, now expiring in March 2023.

As mentioned under Fundraising Activities, significant funding has also been provided by Henry Smith Charity, the National Lottery, the Meads Fund, Sussex Community Foundation, the Household Support Fund, the Mrs A. Lacey Tate Trust, Chalk Cliff Trust, the ESCC Shielding Group and Eastbourne,

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2022

Hailsham and Seaford CCG during the year.

The charity did not have any borrowings from either providers of funding or other sources at the balance sheet date.

Funds in Deficit

If at the end of a project the fund is in deficit, that deficit is written off against general reserves. Any surpluses not required to be returned to funders are transferred to general reserves.

FUTURE PLANS

As noted under "Fundraising Activities", the charity's financial position for the next 12 months is reasonably secure due, in part, to Eastbourne Borough Council's extension of our 3-year funding agreement to cover a fourth year. However, the longer-term position is far less certain, with a number of our current funding streams coming to an end in 2022/23. This remains a key focus of the board.

The Board is reviewing possible sources of funding to fill any shortfalls with the hope and expectation of maintaining the current level of service. We are in a better financial position than previously as we have been able to build up our reserves over the last few years.

At the time of writing this report the new census figures have just been released. We will be reviewing these figures to identify the changing demographics since the last census and the implications it may have for our services.

The board has reviewed the lessons learned from the pandemic in terms of new ways of working, in particular homeworking and remote video links, and considers that embedding some of these new working practices into our standard operating model going forward is sensible.

DIRECTORS' RESPONSIBILITIES

Company Law and Charity Law require the directors to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of Citizens Advice Eastbourne and of the surplus or deficit for that period. In preparing those financial statements, the directors are required to:

- (a) select appropriate accounting policies and then apply them consistently
- (b) observe the methods and principles in the Charities SORP
- (c) make judgements and estimates that are reasonable and prudent,
- (d) state whether applicable accounting standards have been followed, and explain where they have not been followed, and
- (e) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The directors are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of Citizens Advice Eastbourne and to enable them to ensure that the financial statements comply with the Companies Acts 2006.

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2022

The directors are responsible for ensuring that the company maintains an adequate system of internal control designed to provide reasonable assurance that assets are safeguarded against material loss or unauthorised use and to prevent and detect fraud and other irregularities.

In accordance with company law, as the company's directors, we certify that:

- so far as we are aware, there is no relevant information of which the company's examiners are unaware; and
- as the directors of the company we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant information and to establish that the charity's examiners are aware of that information.

Basis of Preparation

This report has been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS 102).

Approved on behalf of the Board of Trustees on 13th October 2022

Michael Frayne

Trustee

EASTBOURNE CITIZENS ADVICE BUREAU CITIZENS ADVICE EASTBOURNE INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF EASTBOURNE CITIZENS ADVICE BUREAU

I report to the trustees on my examination of the financial statements of Eastbourne Citizens Advice Bureau (the charity) for the year ended 31 March 2022.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of Institute of Chartered Accountants of England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

FOR THE YEAR ENDED 31 MARCH 2022

1 Accounting policies

Company Information

Eastbourne Citizens Advice Bureau, also known as Citizens Advice Eastbourne, is a private company limited by guarantee incorporated in England and Wales. The registered office is Unit 6, Highlight House, 8 St Leonards Road, Eastbourne, East Sussex, BN21 3UH.

1.1 Accounting convention

The accounts have been prepared in accordance with the charitable company's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Designated funds comprise funds which have been set aside at the discretion of the trustees for specific purposes. The purposes and uses of the designated funds are set out in the notes to the financial statements.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

Grants receivable are accounted for in the period to which they relate.

Rental income is accounted for when it falls due.

FOR THE YEAR ENDED 31 MARCH 2022

1 Accounting policies

(Continued)

1.5 Resources expended

All expenditure is inclusive of VAT, accounted for on an accruals basis and has been classified under headings that aggregate all costs related to that category.

Where costs cannot be directly attributable to particular headings they have been allocated to activities on a basis consistent with the use of the resources.

Support costs are those incurred directly in support of expenditure on the objects of the charity and include governance costs. Governance costs are those costs associated with meeting the statutory requirements of the charity, and include independent examination fees and costs linked to the strategic management of the charity.

Any expenditure on equipment and assets exceeding £1,000 is capitalised.

1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.7 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

FOR THE YEAR ENDED 31 MARCH 2022

1 Accounting policies

(Continued)

1.8 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.9 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

1.10 Leases

Rentals payable under operating leases, including any lease incentives received, are charged as an expense on a straight line basis over the term of the relevant lease.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Support costs have been allocated to the charitable activities on a basis consistent with the use of the resources.

Governance costs for the year include payments to the independent examiner's firm of £1,566 (2021: £1,500) for independent examination services.

9 Trustees

None of the trustees (or any persons connected with them) received any remuneration or benefits from the charity during the year. Travel expenses totalling £21 (2021: £48) were reimbursed to one of the trustees during the year.

During the year, trustees' indemnity insurance cover costing £Nil (2021: £177) was paid by the charity.

10 Employees

The average monthly number of employees during the year was:

	2022 Number	2021 Number
Charitable activities	13	12
,

,	320,583	283,624

FOR THE YEAR ENDED 31 MARCH 2022

10 Employees (Continued)

Remuneration paid to key management personnel during the year was £37,775 (2021: £33,210).

The charity receives help and support in the form of voluntary assistance in advising the public and administering the charity. 71 volunteers contributed approximately 360 hours of work to the charity each week during the year. We estimate the value of this help to be approximately £344,000 in respect of the current year.

There were no employees whose annual remuneration was more than £60,000.

11 Debtors

		2022	2021

13 Retirement benefit schemes

Defined contribution schemes

The charity operates a defined contribution pension scheme for all qualifying employees. The assets of the scheme are held separately from those of the charity in an independently administered fund.

The charge to profit or loss in respect of defined contribution schemes was £6.932 (2021 - £7.672).

FOR THE YEAR ENDED 31 MARCH 2022

14 Restricted funds

The income funds of the charity include restricted funds comprising the following unexpended balances of donations and grants held on trust for specific purposes:

	Movement in funds						
	Balance at 1 April 2021	Incoming resources	Expended	Transfers	Balance at 31 March 2022		
	£	£	£	£	£		
Homeless Fund	1,360	-	-	-	1,360		
Awards for All	92	-	-	-	92		
Surviving Winter	270	-	-	-	270		
ESCC General Benefits	-	69,051	(73,376)	4,325	-		
Money Advice	1,821	30,000	(39,710)	7,889	-

Covid 19	-	-	(101)	101	-		
	8,719	161,640	(180,957)	12,320	1,722		

The Homeless Fund is monies held to pay for the expenses and short stay accommodation of homeless people.

The Awards for All Fund is a Lottery grant to upgrade IT systems.

The Surviving Winter Fund is a specific fund administered on behalf of the Sussex Community Foundation to support individuals in financial need with heating costs during the winter months.

The ESCC General Benefits Fund is to increase capacity in the area of general advice.

The Money Advice Fund provides information and assistance to clients with financial problems.

Suicide Prevention provides advice and assistance to those who may be at risk of suicide.

The CitA Fund is monies held to assist with Universal Credit claims and MAPS scheme which provides debt advice. The project is included in restricted funds in order to report to CitA. The remaining balance held at the project end is transferred to general reserves.

Eastbourne Citizen's Advice manages these independently funded schemes within the main offices and receives contributions from the funds towards its infrastructure costs.

The transfers during the year relate to amounts transferred from unrestricted funds to clear negative balances.

FOR THE YEAR ENDED 31 MARCH 2022

15 Designated funds

The income funds of the charity include the following designated funds which have been set aside out of unrestricted funds by the trustees for specific purposes:

	ľ				
	Balance at 1 April 2020	Incoming resources	Balance at 1 April 2021	Transfers Balance at 31 March 2022	
	£	£	£	£	£
Property Dilapidations	4,000	-	4,000	_	4,000
Archiving	2,000	-	2,000	(2,000)	-
Refurbishment	3,000	-	3,000	(3,000)	-
			•		
	9,000	-	9,000	(5,000)	4,000

The Property Dilapidations Reserve is set aside for potential renovations to the offices at Highlight House.

The Archiving Reserve is to digitalise paper records.

The Refurbishment Reserve is set aside to allow for refurbishment or renewal of furniture and fittings.

EASTBOURNE CITIZENS ADVICE BUREAU CITIZENS ADVICE EASTBOURNE NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2022

Operating lease commitments 17

The current rental lease ended at 31 March 2020. A 12 month extension was obtained and, the charity is still currently in negotiation with the landlord regarding renewal of the lease.

Lease payments in the year were £27,500 (2021: £27,500).

Related party transactions 18

There were no disclosable related party transactions during the year (2021 - None).

The charitable company was under the control of the trustees throughout the year.
